

Foam Spacer Application Accessories

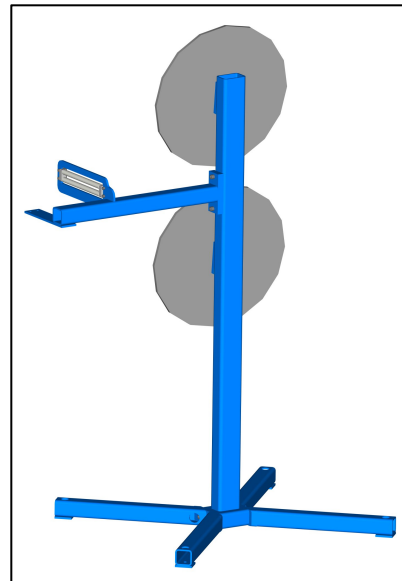

AirLiner™ ALS (liner stripper)

Glasslam's AirLiner™ ALS is an automated liner stripper that removes the protective liner from one or both sides of the Air-Tight™ spacer. The AirLiner™ ALS is designed to work with all Air-Tight™ spacer products.

Air-Tight™ Double Reel Stand ATRS

Glasslam's Air-Tight™ Double Reel Stand ATRS is designed for simple application of Air-Tight™ foam spacer products. The two reels are ergonomically positioned for easy access in the production of insulating glass units. Both reels feed into one AirLiner ALS with no electrical or air requirement.
